

WARNING

LINOLEUM ROLLER

Any piece of equipment can be dangerous if not operated properly. **YOU** are responsible for the safe operation of this equipment. The operator must carefully read and follow any warnings, safety signs and instructions provided with or located on the equipment. Do not remove, defeat, deface or render inoperable any of the safety devices or warnings on this equipment. If any safety devices or warnings have been removed, defeated, defaced or rendered inoperable, **DO NOT USE THIS EQUIPMENT!!!**

Do Not Tape the Wheels

IMPORTANT SAFETY RULES TO FOLLOW

1. *Linoleum rollers weigh 100 lbs. Be careful when lifting and lowering as to prevent serious injury.*
2. Before using linoleum roller, be sure to wipe roller with damp cloth. This will remove any grit or dirt that may scratch or mar the covering finish.
3. Do not roll roller on driveways, sidewalks, gravel or uneven surfaces. This may pit and damage the surface of the roller.
4. Never use Linoleum Rollers for asphalt.
5. When transporting to work area, be sure that the roller is secure with rope or blocks. Due to its weight, it may cause serious injury or damage if allowed to roll around loose.
6. Roll from the center of the room to the short side or edges. Then roll the length of the room.
7. When an air pocket is impossible to roll out it may become necessary to pierce the covering to allow the air to escape. Caution should be used when doing this as not to distort or damage the floor.

 WARNING: This product contains Chromium from steel products which are known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65warnings.ca.gov

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. **IF** there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
