MAKINEX Construction Products Hose 2 Go solutions to many common jobsite problems, such as:

- ❖ Not getting water pressure for long enough?
- ❖ Electronics that breakdown?
- ❖ Too large and heavy to be portable?

Hose 2 Go Solutions:

- ✓ No complicated electronics to breakdown
- ✓ No battery to go dead or expensive replacements
- ✓ No need to manually pump to get the water pressure you need
- ✓ No need to drag hoses around the worksite, the Hose 2 Go is portable and weighs under 43 pounds when full
- ✓ 3.65-gallon capacity and up to 30 minutes of constant flowing water.
- ✓ Quick connecting on and off hose
- ✓ Pressurized sprayer with 7 settings
- ✓ Fills in 40 seconds from average water supply spigot

The Hose 2 Go provides a constant flow of water that allows you to suppress the dust when cutting, core drilling, breaking, and grinding concrete. It is different than any other product on the market because it provides a constant water flow without the use of either a pump, battery, or electronics.

An easy-to-use dust suppression tool and portable water supply, which has handles for two easy carrying positions.

If the person receiving this handout will not be the user of the equipment, forward these instructions to the operator. If there is any doubt as to the operation or safety of the equipment, **DO NOT USE!!! CALL A TOOL SHED IMMEDIATELY!!! FAILURE TO FOLLOW THESE INSTRUCTIONS COULD RESULT IN INJURY OR DEATH**
